

Clearspring Middle School Trailblazers

Student-Athlete Contract

Thank you for choosing to participate in athletics at Clearspring Middle School! At CMS we believe that every student has the right to participate in sport, and it is our goal to create an environment where you, the athlete, will have fun and increase your skill level in a competitive environment.

CMS athletes are expected to uphold the ideals of being a TRAILBLAZER.

A TRAILBLAZER...

1. ...is respectful and courteous to all teammates, coaches, opposing players, officials and parents.
2. ...works hard to be the best s/he can be in class, in practice and in competition
3. ...is a leader who makes good choices, even when they are difficult to make
4. ...perseveres in the face of challenges
5. ...takes risks to improve
6. ...attends all practices and games/competitions
7. ...demonstrates the ideals of a TRAILBLAZER during regular school hours and during competition

In the event that an athlete is unable to uphold 1 or more of these ideals, the athlete may be temporarily suspended from participation in interscholastic sport at the discretion of a coach or classroom teacher, with consultation from the athletic department and school administration.

Please note: WE ALL MAKE MISTAKES and deserve the opportunity to correct our mistakes. An athlete who is suspended from participation will have the opportunity to correct their mistakes, demonstrate that s/he is a TRAILBLAZER and return to competition.

Student-Athletes are expected to pay athletic fees in full before receiving a jersey or participating in competition.

If you are interested in participating, but will be unable to due to the cost of athletic fees, please speak with Mr. A.J. Neufeld

Please sign and return.

I have read and understood the expectations that I am responsible to meet as a Clearspring Middle School Trailblazer.
