

When I reflect on this past year, several themes emerge. First, the incredible students we have at CMS. Our students have been willing and eager learners, with positive, can-do attitudes. Secondly, parents in our school have been supportive and encouraging. We believe our best partnerships are our parent partnerships, and appreciate how our parents have worked with our school to provide the best education we can. And finally, our staff has demonstrated professionalism and dedication at very high levels, resulting in high levels of student learning and achievement, not to mention FUN. All of us, students, parents, and staff, have created a middle school of which we can all be proud. Thanks to all of you!

We wish our Grade 8 students well as they embark on their high school journey. You have worked hard and earned your readiness for high school. Well done!

As we prepare for next year, we want to announce two significant changes to our school schedule. First, we are going to schedule two 15 minute recesses for Grades 5 and 6 students. Secondly, we will be moving our lunch hour so that it will begin at 12:14 and end at 1:09. We are making the change in order to shorten the afternoon of work, which some of our students have found to be too long for productive work.

We have several teacher changes for next year. Leaving our school are Mr. D. Sawatzky, Ms. L. Schellenberg, and Mr. A.J. Neufeld. We are grateful for their years of dedication to students at CMS and other schools before that, and wish them well in the coming years.

We have several changes to announce for next year:

Grade 5	Mr. S. Reimer (new to our school)
Grade 7	Ms. J. Rogalsky, Mr. S. Johnson (moved from other areas of the school)
Grade 8	Mr. P. Reimer (also doing some PE)
Music	Ms. T. Nesca (new to our school)
Resource	Ms. C. Campbell, Ms. S. Trinh (sharing Grade 5 and 6 Resource position)

The staff at CMS wishes all of you a wonderful summer.

Clearspring Middle School

Principal: Ed Neufeld

Vice-Principal: Merrilee Plett
